

MAKE A THANKFUL CHAIN

WHAT YOU NEED:

8.5"x11" paper of any color

Scissors

Stapler or tape

Pens, pencils, or markers

Your family and friends

WHAT TO DO:

1. The second page of this pdf is a template for the paper chains. You can print as many as you like and use the template. A different way to do it is to cut unprinted paper into 6 equal peices (about 1.4 inches wide).
2. Cut out the thankful chain links.
3. Write what you are thankful for on the links. Be creative! You can be thankful for anything, no matter how big or how small!
4. Take one of your links and curl it around until both ends are slightly overlapping and it makes a circle with the words inside. Using a stapler or some tape, secure the ends of the link together. Next, take another link and loop one end through the previous link, and then close by overlapping it on itself slightly. Secure it with tape or a stapler.
5. Keep making the chain by looping and overlapping the links. If you have different colors, it could be cool to make a pattern or design.
6. Undo one link of the chain per day and discuss what you're thankful for with your friends and family You can count down to anything you like, and share what you are thankful for with anyone you love.
